LogicalDOC

DOCUMENT MANAGEMENT SYSTEM

LOGICALDOC	BUSINESS	ENTERPRISE	CLOUD
All LogicalDOC editions do not require you to install client software on workstations. The system will be accessible using a normal browser from any PC connected to the internal network. To enter into the system you need only to authenticate yourself. LogicalDOC is designed for companies that require a document management system and wish to avoid difficult installation and startup problems.			

USER INTERFACE

	BUSINESS	ENTERPRISE	CLOUD
Multilingual Interface	✓	✓	✓
